Hills® Ironing Boards

Range

The name Hills is synonymous with clever design, quality materials and durable products. Whether you are seeking ultimate perfection or simply the quickest way through your pile of ironing, Hills has just the ironing board for you.

Features

All Hills ironing boards are designed to last. The work surface is made from galvanised steel mesh screen to ensure maximum passage of steam.

The height of the Caprice, Sienna, Divita and Verini boards can be easily adjusted, allowing the choice of the most comfortable and ergonomic working position.

Each of the five Hills ironing boards comes with unique features, designed to give you the flexibility to choose the product benefits you require.
